

# The Gift of What?

PASTOR MARK D. CAIN

VILLAGE BIBLE CHURCH FAMILY NEWSLETTER MAY 2017

Even I was surprised by the insight and I've been involved in church work my entire adult life. Maybe it was the ringing clarity with which the author expressed it. The title of the book should have been a tip-off: *The Gift of Church*. The Elders are reading through this helpful book together and author Jim Samra makes a compelling *biblical* case that despite all of the negative experiences that can happen, *God has designed and created the local church for our benefit and His glory*. The local church really is His idea and intended by Him to be profitable to our lives – a *gift* for us.

Sweeping the panorama of biblical history, Old Testament and New, when God's people gather, purposefully guided by His will, we are to be experiencing God's presence in a way that can happen nowhere else. This is not to say that you don't experience God's presence at other times and in other ways – you can and hopefully do. But there is nothing comparable to the experienced, "felt presence" of the Living God when we gather "as church."

1 Corinthians 3:16 - Do you not know that you [*plural*] are a temple of God and that the Spirit of God dwells in [*among*] you [*when you assemble as church*]?

1 Corinthians 14:23-25 - Therefore if the whole church assembles together ... and an unbeliever or an ungifted man enters, he is convicted by all ... declaring that God is certainly among you.

Think of the additional dimension that brings to our *Each One Bring One* endeavor. Consider the implications of this for our efforts at REAL Community. You are not merely bringing a person to church. You are providing an assist to scratching the deepest itch of their souls, partnering with the Holy Spirit in helping someone exclaim "Now *THIS* is what [*or rather Who*] I was made for!"

Think of all that Thomas missed when he was absent that first Easter evening when Jesus came and stood in the

midst of those assembled and spoke "Peace" to the early followers (John 20:19-24). Graciously, Jesus gave Thomas another opportunity the following week (John 20:26).

A few implications of this for you:

Continue *Each One Bring One* with increased confidence, knowing that you are sharing one of God's great *gifts* for your friends.

You yourself come with increased expectancy of truly experiencing the sensed presence of Jesus every Sunday morning.

The REAL Community that we cultivate has another whole dimension of depth as the presence of Jesus works through the diversity of personalities, temperaments and preferences. I knew a man some years ago who was touting small home churches because he could "self-select" those he enjoyed being with. What a selfish and limiting way to live. The richness of symphonic harmony is so much more beautiful than a single melody line played by three identical instruments. Jesus blesses us with unity, not uniformity, as we mature into valuing the diversity of the body. Now that's REAL Community!

An African proverb says, "If you want to go fast, go alone. If you want to go far, go together." Life is a long-distance marathon. We need to go together. As Pastor Mike regularly reminds us, *We Really DO Grow Better, Together*.

Still Loving the Gift and Learning with You.

Pastor Mark

## Funeral Planning

As Christians we are called to be faithful stewards in life ... and in death (see Phil. 1:20-21). One aspect of doing that is to "pre-plan" your funeral. We aren't

talking about casket selection or cemetery location. We are talking about what spiritual legacy you want communicated to your family and friends. VBC has devised a single sheet "Funeral or Memorial Service Preparation Guideline" to assist you in doing this. It will guide you with some simple questions to help you make a Christian statement of your faith after you are gone.

Simply stop by the Welcome Center or the church office during the week and request one. Fill it out, and return it to the church. We will photocopy it so that you may keep it with your personal papers, and we will retain a copy on file in the church office. Let this be one tool to help you exalt Jesus in life ... as well as in death.

# CARE CORNER

## What if I have a care need?

Pastor Levan Hubbard  
Worship and Care

The care ministry has been working hard to accommodate the needs of our congregation. One of the big questions is, **who do I call?** Well, here is the answer! If you have an emergency during office hours, which are 8:30 am to 5 pm, Monday –Thursday, call the office and the office staff will contact the person to respond.

If it is after hours, please call me at 501-353-3040 or Pastor Mike Kelly at 501-984-1511. If by chance neither of us is in town, which is extremely rare, there will be an announcement on the answering machine as to who is available to take emergency calls.

If you should need to contact someone during the weekend, Friday through Sunday, on-call personnel and their phone numbers will be posted on the answering machine at the church phone number, which is 501-922-0404.

*Caring for you . . . Pastor Levan*

## SPECIAL NEEDS SEATING

**RESERVED Seating**, has been provided for those physically handicapped in the center aisle as you enter the sanctuary. Please leave the outer seats available for those needing special accommodations, as well as family or friends who wish to sit with them. Feel free to sit on the reserved pew, but be sure to leave the outer seats close to the aisle for those in need. Thank you.

# Women's Ministry 2017 Bible Studies

## **RESPECTFULLY YOURS**

*A Dr. Emerson and Sarah Eggerichs DVD Study*

We know love best motivates a woman. But do we know what best motivates a man? God has designed men and women differently. Ephesians 5:33 reveals a truth hidden in plain sight for nearly 2000 years, that a husband is to love and a wife is to respect. This study will help women to better understand what respect looks like and how to give it. Come and enjoy the blessing in your own life as you begin to do marriage God's way.

Comments from our women who have taken the study: *"I was afraid this was going to be all about submission, but it is not! It is about being the woman God wants me to be."* *"My attitude changed and now we are both happier!"* *"It helped me have a deeper appreciation for my husband."*

# UNDERSTANDING THE BIBLE

The Bible has a great tradition and a magnificent heritage. It contains 66 books written over a period of several hundred years by many different men. Yet the message, divinely inspired by the Holy Spirit, is clear throughout. The 66 books become one. The Bible is old; yet it is ever new. It is the most modern book in the world today, and remains a best-seller, year after year. There is a false notion that a book as ancient as the Bible cannot speak to modern needs. People somehow think that in an age of scientific achievement, when knowledge has increased more in the past 25 years than in all preceding centuries put together, this ancient book is out-of-date. But to all who read and love the Bible, it is relevant for our generation. At VBC, it is our deep conviction that we can find the answers to life's ultimate questions in the Holy Scriptures. Be sure to join Pastor Mike during the Bible Study hour in the month of May in room 112. Helpful information about the Bible will be shared to improve understanding moving forward into the book of Genesis, where we will spend the next few weeks.

*The Bible is old; yet it is ever new.*

## EACH ONE BRING ONE!

During the months of March - May, VBC is emphasizing the importance of reaching-out to the HSV community with a personal invitation to attend a service at VBC. Why? Because God reached-out to us through His Son, Jesus Christ.

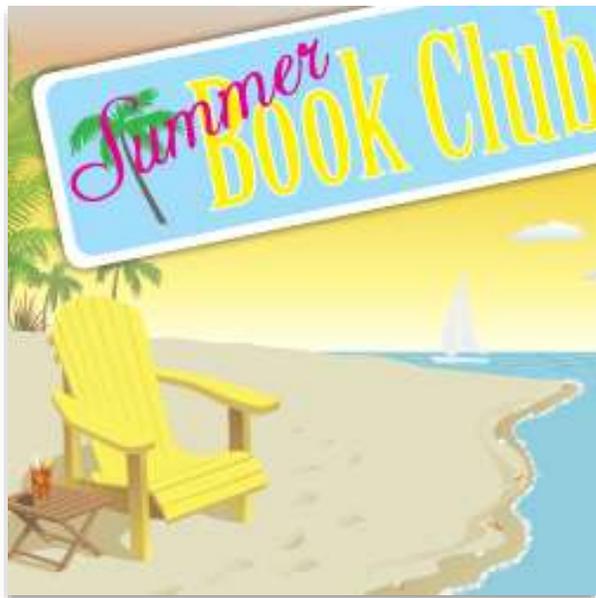

### 3 Reasons Why We Should Invite People

1. Because we want them to connect with REAL (biblical) community, to worship together, study together, sing, give, serve, and other various connecting type things (Small Groups). The church is the bride of Christ. It is not to be minimized, put down, ignored, underrated, or negated. We ought to love the Church as Christ loves the Church. We know that there are so many things that the Church can do, and REAL (biblical community) is one that it does best. Church is a hub for spiritual growth and we want people to engage in that.
2. Because we understand that people will probably get an invitation to follow Jesus through the sermon, study, or general community environment. While inviting someone to church isn't the same as inviting them to Jesus, they will certainly have a hard time missing Him at a gospel centered church like VBC.
3. Because we truly believe that what we have in store each Sunday is designed to impact their life for the sake of the gospel to help them grow, rest, learn, gain passion and strengthen their walk with Jesus. Our heart is always in the right place when we seek to find creative and Christ-honoring ways to engage with the King. God gives us creativity and skill to bring Him glory, and it shines bright when the ability and the purpose come together for His names sake.

Each One Bring One is not just a program, it's a way of life for those who have found the way out of darkness. "I have come as light into the world, that everyone who believes in Me may not remain in darkness" (John 12:44-46). Let's bring them in!

Pastor Mike Kelly

## Mercy Ministries Easter Food Distribution

The Village Bible Church conducted its annual Easter food distribution drive for needy families in the Fountain Lake and Mountain Pine school districts on Thursday, April 13, 2017. This year's event was quite successful due in large part to the generous financial support of our VBC congregation and the many volunteers that assisted in so many ways. This Easter a total of 54 families in the two school districts will be able to celebrate the holiday without the worry of not having enough food to serve.

I would like to extend a heartfelt thank you to those who financially supported our Mercy Ministries Designate Fund as well as to those who gave their time as volunteers to assist with the project.

Left to right...Barbary Dray, Dan Dray, Dotty Burke, Gordon Shaw, Gary George, Max Billen and Jim Lovejoy.

This year we were able to procure our food items, both perishables and non-perishables from our local Walmart store with a significant amount coming from our new supplier, Project HOPE food pantry in Hot Springs. Significant savings were possible as a result of Project HOPE.

We are truly blessed with a generously giving congregation and it is an honor to call you my brothers and sisters in Christ!

# ELDER BOARD REPORT

From Baker's Evangelical Dictionary, the word "**FALL**" is widely used to refer to what is recorded in Genesis 3, particularly to what is written of the temptation of Adam and Eve, their being overcome by it, and their immediate reactions after they became aware of the consequences.

In addition, every time I go to a health care provider these days, someone asks me if I have had a **FALL** since the last time I was there. In both cases, there is pain involved with spiritual and physical falls, but this article is about the latter. Following are some thoughts about the risk of falls that happen on slippery surfaces, like a wet bathroom floor or wet asphalt pavement like our VBC parking lot and roads.

And why do physical falls happen to us? We know it is often a lack of foot traction (adhesive friction or force) along with our changing bodies regarding balance, peripheral neuropathy (numbness in our legs and feet), weaker muscles, eyesight, etc. But, we often hear that getting more mature is not for sissies.

So what can we do about reducing this risk? First, our Trustees will help increase the traction on select areas of our sealed asphalt and concrete pavements through applications of rough textured coatings or coverings, and by providing warning signage.

Second, the most important person who can help reduce this risk is the person you see repeatedly in a mirror. When you have been sitting down, stand up for a few seconds, and check your balance. If you know a pavement may be wet, wear grippy rubber soled shoes, and take slow and short "baby" steps, especially in sloped areas.

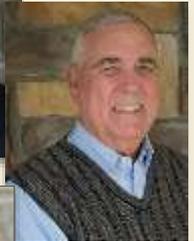

And lastly, for those driving vehicles on wet VBC parking lots and roads, please SLOW DOWN. That vehicle can hydroplane (skid) on a wet surface, and you can lose control and may injure yourself or hit someone.

So, let's try our best to avoid physical falls and drive safely so we can attend our wonderful church and learn more about that spiritual fall.
