God & His Wayward People #1

*The Ways of God
With His Wayward People*
1 Samuel 1
(Pew Bible pp. 282)

It is God's way to use bleak days to elicit passionate praying that brings about His stunning will.

1. Bleak days come to all of God's people.
2. Passionate prayer can be fueled by fresh focus on God.

Bleak days are to be met
with passionate prayer.

*Prayer is the pipeline God has established between His sufficiency
and our inadequacy.*
